Shuttle Off To Buffalo

As long time Dyngus denizens know, Dyngus Day Buffalo has many locations and moving parts. But the best moving parts are the people that attend. However our Pussy Willow Pass shuttle buses might come in as the second best. After all they move the people. The method behind the movement is the magic. And thanks to our new friends at Fisher Bus service we are thrilled to once again, offer free shuttle service between participating official venues and the Dyngus Day Buffalo parade. Our Pussy Willow Pass policy

allows you to pay one low price and get free admission to eleven different festival locations. This means no more waiting in lines to pay again, if you decide to visit more than one "official" venue. In fact you don't even have to wait to purchase your Pussy Willow Pass. You can pre purchase your pass voucher at any Tops Supermarket right at checkout, then redeem it for a bracelet at any official festival location. Plus when you proudly display your Pussy Willow Pass wristband or Tops pre sale voucher, you'll get free unlimited use of our shuttle system with no parking hassles to get to the parade or the next polka party. So why limit yourself to just one pierogi place when you can pack in a pile of polka properties? All for one low price. It's perplexing to think otherwise.

Dyngus Stay and Play

As long as we are discussing maximizing your Dyngus delight, we are beyond delighted. In fact, perhaps it would be better to say we're almost ecstatic to welcome a brand new venue into our festival family. The Buffalo Airport Hotel, located at the corner of Genesee and Aero drive (formerly Holiday Inn), not only offers first class accommodations but is now also our central suburban shuttle transport hub. This means that you could park your car or ride share

to the BAH, hop on one of our Pussy Willow Pass shuttles and head over to the Historic Polonia district to watch the parade or visit any of our official Dyngus day venues, without having to deal with parking and traffic issues, then catch a ride back. Not only do they provide transportation stress relief they also know how to throw a good party. Their brand new outdoor courtyard with heated shelter will be transformed into something resembling an old school east side polka party street dance, which we are super excited about! The all day, star studded talent lineup that the Buffalo Airport Hotel has put together includes Dave Gawronski of the Forgotten Buffalo Orchestra, Special Delivery, performances with the Krakowiacy Dancers from Eugenia Dance Studio and Lajkonik Polish Folk Dance and Ensemble from Chicago. They are even planning for a few special guest appearances from some polka legends. This is in addition to their full service restaurant, bar and banquet rooms that will be serving up plenty of authentic polish delicacies and beverages along with live music and folk dancing starting at noon. Plus if you take advantage of their dyngus discounts on rooms and feel the comfort of their luxurious linens, you may never want to leave. This party could turn out to be one for the books!
